

## 2026 Budget Planning

Please note the following:

1. Budget requests should specifically be in line with the Zion Canaan Baptist Church Purpose Statement and meet your ministry goals.
2. All ministries that plan to spend money in 2026 must submit an itemized budget request. Budgets do not automatically carry over into the next year.
3. All requests must be submitted by August 31st, 2025 by emailing [finance@zioncanaanbaptist.org](mailto:finance@zioncanaanbaptist.org) or by placing in the finance mailbox near the Nursery.
